

Woikoski introduced new hydrogen fuelling station concept on the TEN-T HIT-2-Corridors Road Tour in Helsinki

Woikoski organized the Road Tour event in Helsinki on 14 October 2015, where they launch new hydrogen refuelling station concept in Port of Vuosaari. The event and Mini-seminar opened Minister of Transportation and Communication Mrs. Anne Berner. The seminar included presentations of hydrogen refuelling station network scenarios and review of current state in Finland and Europe.
